Subject: "Water Dedication Ordinance Fee" / "Payment in Leu Of" fee

Background

Crampa Limited has been working on this project for a number of years. This is the project at the intersection of Swapp Dr./Lyman St./Willow Ave., with which MVWD did a cost share with upgrading the existing 3" waterline to a 12" waterline down Swapp Dr. Since August 2015, Crampa Limited has been working on building an industrial climbing wall foot/hand hold manufacturing facility and subdividing the remaining parcel into 14 residential lots. Sava Trendafilav, the owner, would like to discuss the "water dedication ordinance fee" / "payment in leu of fee" and the possibility of recognizing the previous fee schedule for his project.
