Subject: General Managers Driver's License Requirement

### **Background**

Section 3.1.5 of the General Managers job description requires a valid Nevada Class A Commercial Driver License.

Management has not historically driven the dump truck or pulled equipment. I have not used my Class A license in over 8 years and propose the following changes to section 3.1.5

3.1.5 The General Manager is required to possess and keep current a valid Nevada Class C Driver License with any necessary endorsements.

### **Suggested Motion**

Move to change section 3.1.5 of the Districts Personnel Policy Manual to "The General Manager is required to possess and keep current a valid Nevada Class C Driver License with any necessary endorsements".
